- C. Vendors are expected to attend all markets indicated on their applications. **If cancellation** is necessary, vendors must **notify the Market Manager by noon on Wednesday**.
- D. Daily vendors who **fail to provide required notice of cancellation** must pay the vendor fee for days missed before returning.
- E. **No call/no shows” are NEVER permitted.** Vacant spaces compromise the appearance of the market and pose a safety risk because someone invariably drives their vehicle into the market through those spaces. Missing vendors also frustrate shoppers looking for advertised products. “No call/no show” vendors may be temporarily suspended or expelled from the market.

VIII. MARKET DAY LOGISTICS

- A. Each booth is **10’x10’**.
- B. **Vendors provide** their own **canopies, tables, chairs, weights, and signage**.
- C. Vendors may **arrive as early as 1pm to set up**. They must be onsite and **checked-in by 2pm**.
- D. **Vendor placement** is prioritized based on seniority (years with the market), attendance (full-time vs part-time), payment status (prepaid vs daily), and electrical needs.
- E. We make every effort to maintain a consistent vendor placement for our full-time vendors, but there are weeks when placement may change.
- F. Except on rare occasions, **vendors park behind their booth space**. When vendors have to park elsewhere, they may drive to their booth to unload, then move their car.
- G. **Vehicles are not permitted** in the market center **after 2pm**.
- H. Booths must be set up and vendors **ready to sell by 2:45pm**.
- I. Pre-sales (before 3pm) are permitted if customers arrive early, however the EBT “bank” is not guaranteed to open until 3pm.
- J. **Vendors are responsible for their own credit card, WIC, and SMF transactions** (see Section XII). There is no wifi in the parking lot, so please be prepared to use data or a hot spot.
- K. Vendors must **stay until the market closes** unless permission has been granted in advance by the Market Manager. Early departure may alter booth placement.
- L. **Vendors must bring weights to securely anchor their canopies** at all times.
- M. Vendors who rent (canopy, table, chairs) or borrow any items from the Market must return those items before leaving.
- N. Vendors requesting electrical access **must provide extension cords (100ft) and power strips**. Electrical hook-ups are limited, and vendor placement may change to accommodate access.
- O. Vendors are required to **display signage** identifying the **name and contact information** for their farm or business and all **methods of payment accepted, including SNAP benefits**.
- P. Signage, displays, products, and equipment must be contained within the booth space reserved and not restrict access to or visibility of another vendor.
- Q. Vendors **may not share or sublet** booth space without prior consent from the Market Manager.

IX. PRODUCTS/LABELING

- A. Vendors are expected to know and comply with all applicable city, state, and federal health and safety requirements related to the products they sell.
- B. Only Michigan-grown agricultural, value-added, handmade, and homemade products may be sold at the market.

- C. The Market strives to maintain a **60/40 ratio of SNAP eligible vendors to non-food vendors**. Vendors selling hot foods intended for on-site consumption are not included in this equation.
- D. It is essential that the Market maintains a **healthy balance of products to satisfy customer interest and demand**. When products are not available locally, vendors may be allowed to sell produce or value-added products GROWN OR PRODUCED by OTHERS in MICHIGAN. This practice is known as **“brokering.”** This Market defines brokering as **“the sale of products bought or traded directly from another farmer or producer.”**
- E. Approval of brokered items is granted at the sole discretion of the Market Manager based on the following considerations:
 - 1. **Resale** of produce and other items purchased from commercial retail establishments or wholesale distributors is **strictly prohibited**.
 - 2. **Brokered items may not duplicate locally grown or produced items already offered** at the market. Rare exceptions may be granted to meet shopper demand.
 - 3. **Vendors must disclose all anticipated brokered items on their application**, including the name and address of their source. If a change in products or their origin occurs mid-season, vendors must submit a written amendment to their application and receive approval from the Market Manager before selling.
 - 4. Vendors of brokered items must **display signage clearly identifying brokered items**, the name of the Michigan farm or business that produced them, and the city where they were grown or made.
 - 5. Vendors of brokered items must be familiar with the conditions under which foods were grown and items were made.
- F. **Prices of all items must be clearly displayed**. Individual unit pricing is not required if signage clearly lists prices for all items available.
- G. Vendors are strongly encouraged to **accept a variety of payment methods** (credit card, CashApp, Venmo, Zelle, M2M, PayPal, etc.). Please display signage with QR codes to simplify the process.
- H. Vendors with **organic certification must clearly label which products, if any, are NOT organic**.
- I. Food products must be clean, wholesome, free from spoilage, properly identified, and safe for human consumption.
- J. All arts and crafts must be an **individual’s own creative effort** and be sold by the artist or representative thereof.
- K. Vendors without an online presence (website, Etsy, Facebook, Instagram, etc.) must email photos of items to be sold for review during the application process. This does not apply to returning vendors.

X. PROMOTION

- A. South Lansing CDA promotes the Farmers Market via weekly email updates, street banners, yard signs, flyers, articles in neighborhood newsletters, church bulletins, community calendars, social media, and continuous word-of-mouth.
- B. We like and follow all your FB pages, and we ask that you **like and follow** ours, personally and from your business page. This allows us to tag your pages and cross promote.

Please post on the market page any new items you'll be bringing the following week. **Tag South Lansing Farmers Market in posts** with photos and descriptions to entice shoppers. **Check in** at the market on socials each week.
- E. Vendors are encouraged to **display signage promoting unique aspects** of their wares, e.g., locally grown, freshly picked or baked that day, gluten-free, sugar-free, vegan, certified organic or using organic practices, etc.

XI. LICENSES AND INSURANCE

- A. Every vendor selling items or services is responsible for collecting and submitting Michigan Sales Tax.
- B. Processed and hot food vendors must submit **proof of licensure** by MDARD or the Ingham County Health Department before acceptance to the market.
- C. **Cottage Foods** exempt from licensure must be labeled with **"Processed in a facility not inspected by the Michigan Department of Agriculture & Rural Development."**
- D. Vendors selling foods subject to licensing requirements must keep a **copy of necessary documents** onsite to prove compliance during random inspector visits.
- E. Vendors agree to accept legal and financial liability for all claims of injury, property damage, or other losses related to or arising from their participation in the market, which is why **we ask ALL vendors to carry insurance** for general liability, product liability, and medical payments.
- F. Policies must name South Lansing Community Development Association (dba South Lansing Farmers Market) as an **additional insured**.
- G. Email **Certificates of insurance** to market@southlansing.org.

XII. SNAP REIMBURSEMENT AND SALES REPORTING

- A. Vendors who sell **SNAP-eligible food items** are required to accept all applicable forms of food assistance, including EBT tokens, Double Up Food Bucks (DUFb) coins, WIC cards, and Senior Market Fresh cards.
- B. **Vendors selling WIC and Senior Market Fresh eligible foods** must be registered to process payment cards at their booth using a smartphone app or POS device.
- C. **SNAP agreements** must be signed before vendors accept payments. The Market Manager will provide instruction on all requirements.

- F. At the end of each market, **vendors turn in EBT tokens and DUFb coins with a receipt listing total sales from all SNAP benefits**. Market staff will verify that tokens/coins submitted match sales reported, and both parties indicate agreement by signing the receipt.
- G. **EBT/DUFb reimbursements are processed at the end of each month** for all sales verified during that month. Payments are electronically deposited to the account of your choice.

- C. Applicable local, state, and federal laws must be followed all times.
- D. **Smoking is strictly prohibited** everywhere on the property.
- E. Pets are welcome at the market, including yours. Please keep your animal on a leash, in a crate, or otherwise under your control at all times.

XIV. NON-COMPLIANCE

- A. Market staff spot check booths each week to ensure vendors are following Market Guidelines and licensing regulations.
- B. Market staff reserve the right to investigate any reported or suspected violations, including but not limited to, allegations of discrimination, broker or licensing violations, unverified product origination, and improper acceptance or use of SNAP payments.
- C. Investigations may include gathering witness statements, calls to verify of state or county licensing, visits to farms and commercial kitchens to confirm product origination, etc.
- C. When violations are discovered, the market manager will notify the vendor of steps necessary to become compliant with market guidelines.
- D. If violations persist, vendor will be subject to corrective measures and/or sanctions, depending on the severity of the offense. These include but are not limited to: relocation of booth space, suspension from a certain number of markets, withholding of SNAP reimbursement checks (if violation is related to non-payment of booth fees), or dismissal from the market.
- F. Findings of violations and corrective measures may be appealed to the South Lansing CDA Board of Directors for further review. Decisions rendered by the Board are final.
